

DEAR SANTA

Seniors Write Their Christmas Wishes

Dear Santa,

I am an 18 year believer and I have a few requests to make for the Christmas coming up. First of all, I want a Swingy doll (you know, the one with the record with it) and I would like a typewriter so I can type love letters to Dale. I would also like a can of car polish. I want a coloring book and crayons in my stocking. Well, that takes care of it for this year, so see you soon, I hope.

Love ya Muchly,
Jan Hoover

Dear Santa,

Although I have not been good this year, I still want you to bring me some presents. I would like a C.C. membership card, along with about 20 feet of copper tubing, a few dozen empty gallon jugs, several old barrels, a few bushels of fermented corn mash, and a felt hat.

My friends and I thank you,
The Secretary

Dear Redman,

I would like, free of charge, special delivery, at customer's request, etc.

Some Christmas spirit to make me happy and witty, a good-looking LeMans sled to give me get up and go, a scholarship to Berkely to find out how the other side survives, a St. Bernard to be my true companion, a typewriter to take out my madness on, and a Blue Jacket to haunt and swat until Nov. of 1970.

Thank you for your cooperation and you will find a tip on the mantle. 'Till next year, Red--

Debbie Morris

Dear Mr. Claus,

I would appreciate it if you would put a half-pint (of milk) in my stocking this year for Christmas cheer. Also please include a Flip Wilson album, a good report card for four more six weeks, and a blonde for every day of the week.

Many Thanx,
Glenn Hewitt

Dear Santa,

I would like to have a one-pint flask, complete with a small funnel. Also bring me a pair of rubber gloves and directions on "How To Skin A Cat" for Mr. Powell's physiology class.

Love,
Steve Weino

Dear Santa Claws,

Please bring me a voodoo doll in the image of Jimmy Burke with an ample supply of pins. Also include my two front teeth, a stuffed owl, and the initials P.W. to sew on the back of my football jacket.

Give a merry Christmas to the Brotherhood.

Ed Owl

Dear Santa,

I know I'm eighteen, but I'm asking you not to laugh when I ask you for a G.I. Joe on Christmas. You see, I just love a man in uniform, but the problem is that that the real guys in uniform in this town just slip through my hands due to the grease they put out. So, if you'll bring me a G.I. Joe, I'll be a very happy little pervert.

Love,
Suzie Q.

Dear Santa,

I want you to bring me a letter of acceptance from the U. of South Carolina and a pet snake.

Dede Brawner

Dear Hanukah Man,

I want to be accepted to an out of city school (U. of Ga.-- anywhere from home) and I want a big pad of Brillo under my Hanukah bush.

Love
Dell Stein

Dear Santa,

I would like for Christmas an official C.C. mug. Also an autograph from each of the Glenn Braddy Five. Last of all, I want a doll named Sue and a pet dog named Scooter.

Glenn Braddy

Dear Santa,

For Christmas I want a modern Playboy penthouse for the "C. C." Completely furnished with beautiful girls and "C. C." medicine to keep us going strong. I wish Adam hadn't taken a bite of the apple so the world wouldn't be so messed up. Merry Christmas Brotherhood.

Deepest Regards,
El Presidente "CC"

Dear Santa,

For Christmas this year I would like a new car door to replace mine with the bullet hole. I would like a season pass to the heated drive-in, a membership card for the "C.C." and most of all a Minnie Mouse doll that kisses when you squeeze it.

Your friend,
Brother P.W.

Dear Santa,

For Christmas I would like to win the News-Press Basketball Tournament, and for each person on our team to score 20 points. Also I would like BoBo Humphries made assisstant basketball coach.

-Walt Campbell

Dear Santa,

I want you to get Robbie Smith a house near the artic zone where it is -95 below so that he can't write the atrocious trash that he does as editor of the paper.

Also, I will be more than happy to take his place.

Mil Cook

Dear Santa,

I would like a Bull pup. . .one with blonde fur and blue eyes, and a date with Joe Namath of the Jets!!!

P. S. Don't break any bottles comin' down the chimney, the foam might ruin the floor

Dear Santa,

This Christmas I would like for you to bring me 10 cases of Christmas Cheer (100 proof). My wish since I can't get in the C. C. is to start my own.

Bill Mintz

Dear Santa,

I'm writing this not only for myself, but for all the other boys on the Jenkins team. Please bring us plenty of Kleenex Tissue so the Brownie Boys can wipe their noses. Also bring the C. C. another mother. Please bring B.D. a new mouth.
