F.C.A. FORMED

A group of H.V.J. athletes, consisting mostly of football and basketball players, have formed a Fellowship of Christian Athletes at Jenkins to carry out projects for the needy and underprivileged people in Savannah.

The group is called a "huddle" and the captain of the huddle is Charlie Dickson. Steve Taylor, George Waters, and Eric Taylor are the other officers.

During the days before Christmas, the Jenkins' F.C.A. has set a goal of a ton of food to be collected for the needy. F.C.A. members will campaign at school, door - to - door, and at supermarkets for canned goods in an effort to reach their goal.

Students at Jenkins are urged to lend a hand in this project by bringing canned goods to donate and urging their parents to contribute when a F.C.A. member calls on them.
